

# Industrial Shop Rolls

- Industrial quality aluminum oxide grain
- All rolls are 50 yards long
- Long life, flexible "J" weight high tensile strength cloth backing
- Rolls individually packaged in an easy to use dispenser carton
- Available in widths 1", 1 1/2", 2" with a grit range of 50 thru 400

Ideal for a wide variety of applications including general purpose cleaning, hand sanding, heavy stock removal, deburring, machine finishing, and polishing on flat or contoured surfaces.
