

CARBIDE ROTARY BURRS

All Burrs stocked with standard 1/4" Shank

- Miniature burrs available.
- Extra long shanks available.
- Resharpener available.

CYLINDRICAL

CYLINDRICAL END

All burrs through 1/4" diameter are solid carbide and are 2" overall length. 1/4" steel shanks are available upon request.

Burrs that are larger than 1/4" diameter are with 1/4" steel shanks.
