

Chop Saw – Bandsaw – Reciprocating Saw – Saddle Jig

14" Chop Saw – Model CS14-15

Also available in 220V - Call

Quick release adjustable vise adds versatility.

Order #01415
\$299.99 Ea

Supplied with 1 Blade (Wheel)

POWER, PERFORMANCE, DURABILITY FOR FAST, PORTABLE CUTTING OF DRYWALL TRACK, ANGLE IRON, CONDUIT PIPE, CHANNELS, TUBING, REBAR AND MORE...

Powerful 15 AMP Motor Designed for Maximum Cutting Efficiency – Rugged Construction - For Use with Abrasive Cut-Off Wheels P/N 178141 (see pages 409 & 410)

- For single phase alternating current (and occasional DC use)
- Especially suitable for quick precise cutting of steel, non-ferrous metals, iron and cast profile...
- Motor and gear with ball and needle bearing - designed for high loads
- Sturdy construction with powerful motor
- Spindle lock for easy disc change
- Quick clamping device with adjustable miter conversion up to 45°
- Optimum and easy transportation through integrated handle
- Tiltable grinding disc protective hood
- Spanner box wrench

Model #	CS14-15
Lock-off button for safety	•
Spindle lock for convenient wheel changes	•
Pivoting wheel guard	•
All ball bearing construction for long life	•
Auto-stop carbon brushes easily accessible	•
Durable steel base	•
Maximum vise open	7 1/2"
Maximum cutting capacity	
- bar	2 1/2"
- pipe	4 3/4"
- section steel	4 3/4" x 5 1/8"
No-load speed (RPM)	3900
Amps	15.0
Rated input watts	2100
Arbor size	1"
Vise angle (adjustable)	0 - 45°
Tool weight	45 lbs.
Shipping weight	53 lbs.
Standard Equipment:	17mm wrench

SADDLE JET JIG™
Chop Saw

Order # **SJ2200C**
\$39.95 Ea

The SJ2200C is a saddle jet jig. It saddles 1/2" to 3" pipe and makes a perfect saddle cut in as little as 30 seconds. It fits easily into a chop saw with no adjustments needed. In just a few simple steps, be ready to weld with no grinding necessary. It will save you time and money.

Includes Instructions, Center-Line Gauge (Magnetic), Pipe Channel, Angled Wing Plate, Sticker Gauge, Locking "T" Tab.

*Jig Does not include Chop Saw or Pipe

Variable Speed Portable Band Saw – Model #4479

(For blades see page 466)
